Scholarship Information

Now is the time to renew or apply for your scholarship through Step Up for Students! Once you are approved, we will need your student's "Award ID". This important ID changes every year and allows the school to process your scholarship for payment.

The "Award ID" can be found by following these steps:

1. Click on the "My Students" tab within their EMA account
2. Click "view" next to your active student's name
3. Scroll down to see the Award ID under the "Scholarship Status" section
4. Print or take a screenshot of your child's "Award ID" number and award status.
5. Email the "Award ID" to us at office@thekeytolearning.org

We must have Award ID numbers on file in the school office by June 7, 2024.

If you need additional assistance in renewing or applying for a Step Up for Students scholarship, please visit Stepupforstudents.org and use the chat feature.

Important: Please note that the current award amounts displayed may not be accurate at this time and will be updated once new award amounts are published by the State.
